General Provisions

Purpose of Regulations

1. The purpose of these Regulations is to

- (a) promote the maximisation of value-addition and job creation through the use of local expertise, goods and services, businesses and financing in the petroleum industry value chain and their retention in the country;
- (b) develop local capacities in the petroleum industry value chain through education, skills transfer and expertise development, transfer of technology and know-how and active research and development programmes;
- (c) achieve the minimum local employment level and in-country spend for the provision of the goods and services in the petroleum industry value chain as specified in the First Schedule;
- (d) increase the capability and international competitiveness of domestic businesses;
- (e) create petroleum and related supportive industries that will sustain economic development;
- (f) achieve and maintain a degree of control for Ghanaians over development initiatives for local stakeholders;
- (g) provide for a robust and transparent monitoring and reporting system to ensure delivery of local content policy objectives;
- (h) provide for the submission of the local content plan and related sub-plans by contractors, subcontractors, licensees and any other allied entity involved in the petroleum industry including
 - (i) the provision of goods and services;
 - (ii) the transfer to the Corporation or the Commission and Ghanaians of advanced technology and skills related to petroleum activities;
 - (iii) a recruitment and training programme; and

PETROLEUM (LOCAL CONTENT AND LOCAL PARTICIPATION) REGULATIONS, 2013

- (i) supervision, coordination, implementation and monitoring of local content.

Application of Regulations

2. These Regulations apply to local content with respect to petroleum activities.

Local content requirement

3. A contractor, subcontractor, licensee, the Corporation or other allied entity carrying out a petroleum activity shall ensure that local content is a component of the petroleum activities engaged in by that contractor, subcontractor, and licensee, the Corporation or other allied entity.

Interest of a citizen in petroleum operations

4. (1) An indigenous Ghanaian company shall be given first preference in the grant of a petroleum agreement or a licence with respect to petroleum activities subject to the fulfillment of the conditions specified in these Regulations.

(2) There shall be at least a five percent equity participation of an indigenous Ghanaian company other than the Corporation to be qualified to enter into a petroleum agreement or a petroleum licence.

(3) Despite subregulation (2), the Minister may vary the requirement specified in that subregulation, in circumstances where an indigenous Ghanaian company is unable to satisfy the requirement of the five percent equity participation.

(4) For the purposes of subregulation (2), the Minister shall determine the persons qualified.

(5) The interest of an indigenous Ghanaian company arising from a petroleum agreement or a petroleum licence is not transferable to a non-indigenous Ghanaian company.

(6) A non-indigenous Ghanaian company which intends to provide goods or services to a contractor, a subcontractor, licensee, the Corporation or other allied entity within the country shall incorporate a joint venture company with an indigenous Ghanaian company and afford that indigenous Ghanaian company an equity participation of at least ten percent.

*PETROLEUM (LOCAL CONTENT AND LOCAL
PARTICIPATION) REGULATIONS, 2013*

(7) A contractor, subcontractor, licensee or other allied entity shall before the commencement of petroleum activities submit a plan to the Commission specifying

- (a) the role and responsibilities of the indigenous Ghanaian company;
- (b) the equity participation of the indigenous Ghanaian company; and
- (c) the strategy for the transfer of technology and know-how to the indigenous Ghanaian company.

Functions of Local Content Committee

5. (1) The Local Content Committee established by the Commission under subsection (2) of section 8 of the Act shall oversee the implementation of these Regulations.

(2) The Committee shall in implementing the provisions of these Regulations, ensure measurable and continuous growth in local content in all petroleum activities.

(3) Without limiting subregulations (1) and (2), the Committee shall

- (a) oversee, coordinate, and manage the development of local content;
- (b) prepare guidelines, to include targets and formats for local content plans and reporting;
- (c) make appropriate recommendations to the Commission for the smooth implementation of these Regulations;
- (d) set minimum standard requirements for local content in local content plans where applicable;
- (e) undertake public education;
- (f) undertake local content monitoring and audit; and
- (g) perform any other functions conferred on the Committee by the Commission in accordance with the provisions of applicable laws.

(4) The Committee shall submit quarterly reports of its activities to the Commission.

PETROLEUM (LOCAL CONTENT AND LOCAL PARTICIPATION) REGULATIONS, 2013

Establishment of local office

6. Where practicable, before carrying out any work or activity in the petroleum industry a contractor, subcontractor, licensee or other allied entity shall establish a project office within the district where the project is located.

Local content plan

Submission of local content plans for approval

7. (1) A contractor, subcontractor, licensee or other allied entity shall before engaging in a petroleum activity prepare and submit a local content plan for approval at the time of submission to the Commission of an application to undertake a petroleum activity.

(2) For the purposes of subregulation (1), a contractor, subcontractor, licensee, or other allied entity shall submit to the Commission

(a) a long term local content plan which corresponds with the work programme that accompanies the application made by the contractor, subcontractor, licensee, or other allied entity to undertake petroleum activities as specified in these Regulations; and

(b) an annual local content plan in respect of each year.

(3) The Commission shall, within seven working days of the receipt of a local content plan, acknowledge receipt and lodge the local content plan with the Committee.

Review of local content plan

8. (1) The Committee shall within twenty-five working days of the receipt of the local content plan submitted under regulation 7(3), review and assess the plan and inform the Commission in writing of the recommendations of the Committee.

(2) The Committee shall, if satisfied that the plan complies with the requirements of these Regulations, recommend the local content plan to the Commission for approval.

(3) Where the Committee is dissatisfied with the local content plan the Committee shall recommend that the Commission reject a plan and it shall state the reasons for the recommendation.

*PETROLEUM (LOCAL CONTENT AND LOCAL
PARTICIPATION) REGULATIONS, 2013*

(4) The Committee may for the purposes of reviewing or assessing the local content plan

- (a) provide as far as practicable to persons involved in the petroleum industry or likely to be affected by the decision, a reasonable opportunity of being heard; and
- (b) take into account any representation made before submitting its recommendations to the Commission.

(5) The Commission shall approve the local content plan if the Commission is satisfied that the local content plan complies with the provisions of these Regulations and shall communicate the decision of the Commission to the applicant within seven working days of the approval of the recommendations of the Committee.

(6) Where based on the recommendations made by the Committee, the Commission determines not to approve the local content plan, in whole or in part, the Commission, shall within seven working days of making that determination, notify the applicant and furnish the applicant with a written statement of the reasons for refusal of the Commission to approve the local content plan.

(7) Where the Commission refuses to approve the local content plan submitted by the applicant, the applicant shall

- (a) revise the local content plan taking into account the recommendations of the Commission, and
- (b) within fourteen working days, submit the revised local content plan to the Commission.

(8) Where the Commission fails to notify the applicant of its approval or otherwise of the revised local content plan, the revised local content plan shall be deemed approved after fifty working days of the submission.

Content of the local content plan

9. (1) The local content plan submitted to the Commission by a contractor, subcontractor, licensee or other allied entity shall contain detailed provisions

- (a) to ensure that

PETROLEUM (LOCAL CONTENT AND LOCAL PARTICIPATION) REGULATIONS, 2013

- (i) first consideration is given to services provided within the country and goods manufactured in the country where the goods meet the specifications of the petroleum industry as established by the Standards Authority or by other internationally acceptable standards;
 - (ii) qualified Ghanaians are given first consideration with respect to employment; and
 - (iii) adequate provision is made for the training of Ghanaians on the job; and
- (b) on how the contractor, subcontractor, licensee or other allied entity intends to guarantee the use of locally manufactured goods where the goods meet the specifications of the petroleum industry as established by the Standards Authority or other internationally acceptable standards.

(2) A collective bargaining agreement entered into by a contractor, subcontractor, licensee or other allied entity in respect of the terms and conditions of employment of an association of employees shall be in accordance with the Labour Act, 2003 (Act 651).

(3) Without limiting subregulations (1) and (2), a local content plan shall have the following sub-plans:

- (a) an Employment and Training Sub-Plan as provided in regulation 17;
- (b) a Research and Development Sub-Plan as provided in regulation 21;
- (c) a Technology Transfer Sub-Plan as provided in regulation 24;

- “Award Notification Form” means a form designed by a contractor or licensee to inform a successful bidder of an award of a contract;
 - “bid rigging” means the manipulation of a bid process by dishonest means;
 - “cartelisation” means a collection of businesses that act together as a single producer and agree to influence prices for certain goods and services by controlling supply through their production and marketing activities;
 - “Commission” means the Petroleum Commission established by the Act;

PETROLEUM (LOCAL CONTENT AND LOCAL PARTICIPATION) REGULATIONS, 2013

- “Committee” means the Local Content Committee established under sub-section (2) of section 8 of the Act;
- “common qualification system” means a sole centralised system of pre-qualified service providers in Ghana’s upstream petroleum industry based on their capacities, capabilities and local content strength to enable ranking and categorisation of the service providers as well as tracking and monitoring their performance;
- “contractor” means a person who has entered into a petroleum agreement with the Republic to undertake petroleum exploration and production activities under the Act;
- “Corporation” means the Ghana National Petroleum Corporation established under section 1 of the Ghana National Petroleum Corporation Act, 1983 (PNDCL 64);
- “front” means to deceive or behave in a particular manner to conceal the fact that a company is not an indigenous Ghanaian company;
- “in-country spend” means the amount of money spent in relation to the petroleum industry;
- “indigenous Ghanaian company” means a company incorporated under the Companies Act, 1963 (Act 179)
- (a) that has at least fifty-one percent of its equity owned by a citizen of Ghana; and
 - (b) that has Ghanaian citizens holding at least eighty percent of executive and senior management positions and one hundred percent of non-managerial and other positions;
- “licensee” means a person who has been granted a licence to undertake petroleum activities under the Act;
- “local content” means the quantum or percentage of locally produced materials, personnel, financing, goods and services rendered in the petroleum industry value chain and which can be measured in monetary terms;

PETROLEUM (LOCAL CONTENT AND LOCAL PARTICIPATION) REGULATIONS, 2013

- “local content monitoring” means keeping track of or monitoring compliance with these Regulations;
- “long term local content plan” means a local content plan that covers a period of five years as specified in the First Schedule;
- “National Policy on Local Content” means the Local Content and Local Participation in Petroleum Activities Policy Framework issued by the Ministry responsible for Energy;
- “petroleum activities” means any activity engaged in within and outside Ghana related to the exploration for, development and production of petroleum, the acquisition of data and drilling of wells and the treatment, storage, pipeline transportation and decommissioning and the planning, design, construction, installation, operation and use of any facility for the purpose of the activities;
- “petroleum operations” means the exploration, development or production, transportation and disposal of petroleum;
- “petroleum industry value chain” means the processes involved in the petroleum industry such as exploration, development, production, transportation, processing and marketing;
- “qualified” means technical competence and financial capability to fulfill all obligations under a petroleum agreement or petroleum licence;
- “subcontractor” means a third party to whom the Corporation or a contractor has entered into a petroleum contract for the provision of services for petroleum operations;
- “technical core staff” includes engineers, technicians and geo-scientists; and
- “value-addition” means the economic improvement of a product or service in the petroleum industry.
